

Annual Implementation Plans: Sample Ultranet Actions and Milestones

The Ultranet Initiative

In 2010, the Ultranet will be a major area of action to support the achievement of schools' key improvement strategies.

The table below provides some examples of Ultranet actions with associated milestones.

| Specific school strategies linked to: | Possible Actions | Related Milestones |
|---------------------------------------|---|---|
| Student Learning | <ul style="list-style-type: none"> Integrate Ultranet in school's core purpose and beliefs Identify and support staff in completing appropriate Ultranet Online Professional Learning and | <ul style="list-style-type: none"> All staff have a shared vision of how the Ultranet is linked to improving learning and teaching Teachers meet regularly to develop curriculum plans, |

| | | |
|-----------------------------------|---|--|
| | <p>Help modules</p> <ul style="list-style-type: none"> • Establish learning circles established focussing on developing and sharing expertise in Web 2.0 applications • Develop clear and agreed expectations around quality curriculum planning and delivery linked to collaborative online development • Teacher Performance and Development Plans include use of the Ultranet where appropriate to support professional learning goals. | <p>learning sequences and resources for on-line sharing through the Ultranet</p> <ul style="list-style-type: none"> • All teachers regularly use the Ultranet to monitor student progress • All teachers have worked with students to develop learning goals and portfolios through the Ultranet |
