

Looking for a career change? Switch to teaching

There are paid teacher-trainee opportunities
in Victorian government schools

If you are a professional in the area of science, mathematics,
IT, technology or music – and are interested in a career in
teaching, our Career Change Program is for you.

Our Career Change Program offers you the opportunity to commence
an exciting and rewarding career in teaching. You will receive financial
support and paid study leave while working as a classroom-based
trainee teacher.

Teaching today offers career advancement, management and
leadership opportunities.

Please contact the schools listed below for
more information on specific vacancies.

Applications close **Wednesday, 28 October
2009**. Applicant instructions for the Career
Change Program are available from
