# Teach Today – Maths and Science Graduate Scholarship

The Department of Education and Early Childhood Development is offering talented mathematics, engineering and science graduates between \$5,000 and \$9,000 to start an exciting teaching career.

Scholarship recipients will complete a graduate entry teaching course and will also be eligible for additional grants on commencing employment in Victorian government secondary schools.

For more information and application packages go to [www.teaching.vic.gov.au](http://www.teaching.vic.gov.au)

## **Innovate**

Maths and science teaching today is challenging, exciting and rewarding with inventive, creative and technology-based teaching practice.

## **Motivate**

Enthuse and inspire young people – teach today and create tomorrow. Teaching is more than just a job.

## **Educate**

Help young people learn and develop the skills for an ever-changing world. Maths and science teaching empowers others to take the next step in their lives.
