### National Partnership Name
National Partnership on Literacy and Numeracy

### 2009 Allocation
$14,605

### 2010 Notional Allocation
$131,447

### School Co-investment
Victorian Government Schools are required to contribute resources equivalent to 30% of the total dollars invested unless exempted due to financial circumstances.

### Notes:
* National Partnership funding supports the achievement of the school's goals and targets for improved literacy and numeracy as outlined in its strategic plan and annual implementation plan.
* Expenditure at the school level may not have been spent in the year the direct support was received.
* Schools with a $0 allocation are:
  - being supported by a group improvement project where the funding is held by another school, or
  - receiving funding in subsequent years.

The school is participating in the following initiatives to support the achievement of its goals and targets:
