The Department of Education and Early Childhood Development is committed to good communication and treating everyone with dignity and respect.

The Department has developed this information to improve communication for us all when addressing concerns or making a complaint that is related to the school or your child’s education.

• Do you have any questions about the school or something you would like to discuss?
• We are happy to talk to you…
• Your views and suggestions are important to us.
• Remember, teaching and learning works best when there is a partnership between you and your child’s school.

How do I raise an issue or make a complaint?
Parents and carers are strongly encouraged to contact their child’s school in the first instance on all matters involving their child’s education.

**STEP 1**
Clarify the issue (What is the problem?)
Making notes is a good idea as it ensures that you cover all points. Think about the resolution you would like to see as an outcome.

**STEP 2**
Contact the school
School staff can discuss an appropriate way forward with you. This may include organising a time to talk on the phone or a meeting for a mutually convenient time.

**STEP 3**
Contact the school’s principal or assistant principal
If a classroom teacher is to be present it is more convenient for a meeting to occur outside school hours.

**STEP 4**
Contact the Regional Office
If the matter is unresolved at the school level, you may wish to discuss if further with the community liaison officer at your regional office. Contact numbers for regional offices can be accessed at [http://www.education.vic.gov.au/about/structure/regions.htm](http://www.education.vic.gov.au/about/structure/regions.htm) or phone 1800 809 834 for details.

**STEP 5**
If the matter is unresolved at the regional level you can address your complaint in writing to the Deputy Secretary, Office for Government School Education, c/o General Manager, Group Coordination Division, GPO Box 4367, Melbourne VIC 3001.
