Spectacular selection

Two Cobram Secondary College students will be wowing crowds in Melbourne in the coming months.

Year 12 student Allanah Coldwell and Year 10 student Brad Connelly have been selected to play in the Victorian State Schools Spectacular.

The schools spectacular features students from around Victoria and will be on stage on September 18 and 19.

The two students went through an audition process in an attempt to claim a place in the orchestra section of the schools spectacular.

"The man who auditioned us is actually the orchestra leader," Allanah said.

Allanah plays alto sax, while Brad has been learning trumpet for around three years.

"I started learning alto sax when I was in Year 8 — it just appealed to me," Allanah said.

Both said they would love to study music after completing high school.
