Sheridan reaches a high note

Robert Fedele

STRATHMORE teenager Sheridan Harbour is hitting all the right notes.
The 16-year-old Essendon Keilor College student is one of 33 state school students involved in Shine on 2010: Victorian State Schools Spectacular – a professional song and dance extravaganza.

Held in September at Hisense Arena, it will feature a 100-piece orchestra, 1100 dancers, 33 vocalists, 60 cheerleaders, and an 1100-strong choir.

Sheridan has performed since primary school, and said she was over the moon at being chosen.

"It will be my first and last State Schools Spectacular as I'm in year 11. "It feels great being able to meet new friends and it makes you feel good about yourself that you're one of the 33 that made it."

The college is also making headlines for its involvement with Foxtel's Ultimate School Musical - Fame, a 10-part series filmed at the school last year, which screened for the first time this month.

It involves 35 students performing a professional style production of the musical Fame.
