While hundreds of students bask in the applause this weekend at the Victorian State Schools Spectacular, a small team from Coburg Senior High will take up key positions backstage. Year 10 and 11 multimedia students Tabi, Gavin, Amber, Cameron and Tony (pictured) have spent three months working with the show’s director, Neill Gladwin, creating the visual imagery to be displayed on huge screens behind the 2500-plus performers who will grace Hisense Arena. Tickets for the three shows of Shine on 2010: The Victorian State Schools Spectacular, this Saturday and Sunday, are available through Ticketek on 132 849.
