Helping your child to shine

The Victorian Government provides financial assistance to help eligible families cover costs related to sending their child to a Victorian kindergarten or school.

- **$300 School Start Bonus** for parents of every student starting Prep or Year 7
- **$450 Education Maintenance Allowance** for eligible parents of secondary students
- **$225 Education Maintenance Allowance** for eligible parents of primary students
- **$820 Kindergarten Fee Subsidy** provides 10 hours per week of a kindergarten program at no cost in the year before school to eligible families.

For more information please visit the Department of Education and Early Childhood Development website or call our information line.
