Tips
You should consider the following factors, where relevant, when purchasing furniture and equipment for your school:

- Functionality
- Cost
- Ergonomics
- Recycled content
- Country of manufacture
- Durability
- Lead time
- Warranty
- Good Environmental Choice Australia (GECA) certification
- Safety

Alltek Industries (Hallam 3803)  
1300 9708 6033  
Alltek Industries produces educational furniture at its plant in Hallam, Victoria, using all Australian materials. As a manufacturer, Alltek has the flexibility to custom make school furniture to suit individual requirements, e.g. sizes, shapes and special needs. All of our products have a minimum 5 year warranty, with approximately 60% recycled material used and 100% Australian made.

Furniche (Patterson Lakes 3197)  
1300 9772 1078  www.furniche.com.au  
Furniche is an Australian company providing Australian made products with quality assurance, environmental certifications and strong warranty support. As an independent supplier who is not bound by a single product or manufacturer, we are free to source the best and most appropriate products. All products carry a minimum 5 year and up to 20 year manufacturer’s warranty.

Corporate Express Education Division (Port Melbourne 3207)  
1300 9279 6500  www.ce.com.au  
End to end educational solutions from products, design and project management that is flexible and functional to suit your unique environment. From basic educational commodity furniture through to specialist, custom-built furniture or even a complete fit-out, it’s all available at Corporate Express. Our quality furniture pieces are anything but ordinary, complementing all environments from traditional to contemporary spaces.

Furnware (Mount Waverley 3149)  
1800 133 155  www.furnwareaus.com.au  
Furnware provides the best quality classroom furniture available, with a “kids first” philosophy. Several years of research in school classrooms has formed the basis for our innovative products, and enabled us to provide 21st Century solutions. Our chairs and tables are specifically designed to reduce off-task time.

Décor Displays (Tullamarine 3207)  
1800 774 700  www.decoridisplays.com.au  
Décor Displays specialises in providing Eclipse™ Library Shelving to schools and public libraries. We exceed the Australian standards for quality and are certified as Environmentally Friendly. We hold a complete range of shelving options giving schools the excellent product versatility and detailed customer service they need.

Learning Places (Benlock 3435)  
1300 5429 2092  
Learning Places produces colourful and fun furniture for flexible and open learning places. The locally made range is influenced by the pedagogy of Reggio Emilia preschools and the principles of developmental learning. Learning Places also creates individual items to suit the needs of your children.

Direct Products (Carrum 3197)  
0412 357 499  
Direct Products specialises in high quality steel student lockers, open shelving, filing and stationery cabinets, mobile pedestals and general storage furniture, student desks and stackable tables. Manufactured in a modern Melbourne factory, all products are available in a variety of sizes and colour options and are ideally suited for use in a flexible learning environment.
