### Reflections

1. What **organisational steps** could your school take to make the Year 9 program more engaging for students?

2. What **curriculum design steps** could your school take to make the Year 9 program more engaging for students?

3. What **classroom practices** could your teachers adopt to make the Year 9 program more engaging for students?

4. What **community linkages** could your school build to make the Year 9 program more engaging for students?

5. What **special events** could your school initiate to make the Year 9 program more engaging for students?
