Information on the School Start Bonus for parents of Prep and Year 7 students to be included in first 2011 newsletter.

The School Start Bonus (SSB) was introduced in 2006 to assist parents/guardians of Prep and Year 7 students to meet the start-up costs associated with commencing Primary and Secondary schooling.

Every student enrolled for the first time in Prep and Year 7 in Term 1 is eligible for the bonus. The School Start Bonus is separate from, and additional to, the Education Maintenance Allowance. SSB is not means tested and has no connection with Centrelink.

Eligible parents/guardians do not need to make a claim.

The bonus of $300 will be paid in the form of a cash payment voucher available from the school after the enrolment process has been completed at the end of 2010, for students commencing Prep & Year 7 in 2011.

The voucher will be made payable to the primary care giver/legal guardian listed in the student’s enrolment details held by the school.

Vouchers will be redeemable at any Australia Post outlet displaying the Bank@Post sign from the 10th January 2011 upon presentation of photo identification.

Please ensure you provide the school with your full legal name to create the voucher so that it is identical with your photo identification. If your name in incorrect on the voucher, ask your school to reissue the voucher in your correct legal name.
