Shadowers of History
Commonwealth History Project
Host Report
Horsham College

Tracy visited Horsham College on the 4th and 5th May and we had a very good 'Shadowing' experience.

From my viewpoint, I think the program is great. I must admit I had time pressures. But then, no time is ever really suitable for teachers. Tracy visited many of my classes and we discussed approaches and ideas.

In general, I think the ‘Shadowers’ idea is great. The more we do this kind of thing, the more History in schools will be strengthened. Having said that, it is a time consuming task. Busy teachers, both hosts and shadowers, have so many other things that need to be done.

I benefited indirectly by learning about how history operates in another school and how young people think about the teaching of history.

I would be happy to do this kind of thing again.
